Letter No MC 1063/41-42 dt 15 12 41

Recommends sanction to a grant of Rs 1555/- out of the reserve held under the T I grants for the current year being a moiety of (1) the estimated Cost of 1670/- for the Construction of a slaughter house and (2) Rs 1440/- for that of mutton stalls at Hoskote town, the other half viz Rs 1555/- being met out of the closing balance of the Mly during the current year

1) The D C states that no grant was sanctioned for these works from the T I grants ever since the year 1939-40, in which year the two estimates, one for the Construction of a slaughter house and the other for the mutton Stalls at Hoskote town were prepared by the Sanitary Engineer

2) The necessity, if mutton stalls, appears to be a real one both from the point of view of Public health and income to the Mly As the resources of the Mly are meagre, it is not possible for the Mly to undertake these works at its own cost The Mly Council have, however resolved to bear one half of the estimated Cost viz Rs 1555/- out of the closing balance of the Mly for the current year

3) In these circumstances the DC recommends sanction to a grant of Rs 1555/- being a moiety of the total estimated Cost of Rs (1670+1440)=Rs 3110 for these works out of the reserve held under the T I grants for the current year

2 There is a real necessity for an up-to-date slaughter house and a mutton stall at Hoskote, both from the point of view of public health and income to the Municipality The Municipal Council is unable to take up these works on account of its slender resources It has resolved at its meeting held on 25-10-1941 agreeing to bear one half of the estimated cost out of the closing balance and requests that the other half be kindly sanctioned from Town Improvement Grants
